# ABOUT ANDORRA...

Andorra is a little country located in the Pyrenees mountains, between France and Spain. It's only 468Km<sup>2</sup>.

Our country is made up of no less than 72 peaks. The highest point is the Comapedrosa peak (2942m) and the lowest on Runer River (840m) which is in the border with Spain.

Andorra has a privileged climate. His position in the Pyrenees provides a Mediterranean and mountain climate.

Andorra is also one of the countries with the most sunny days.

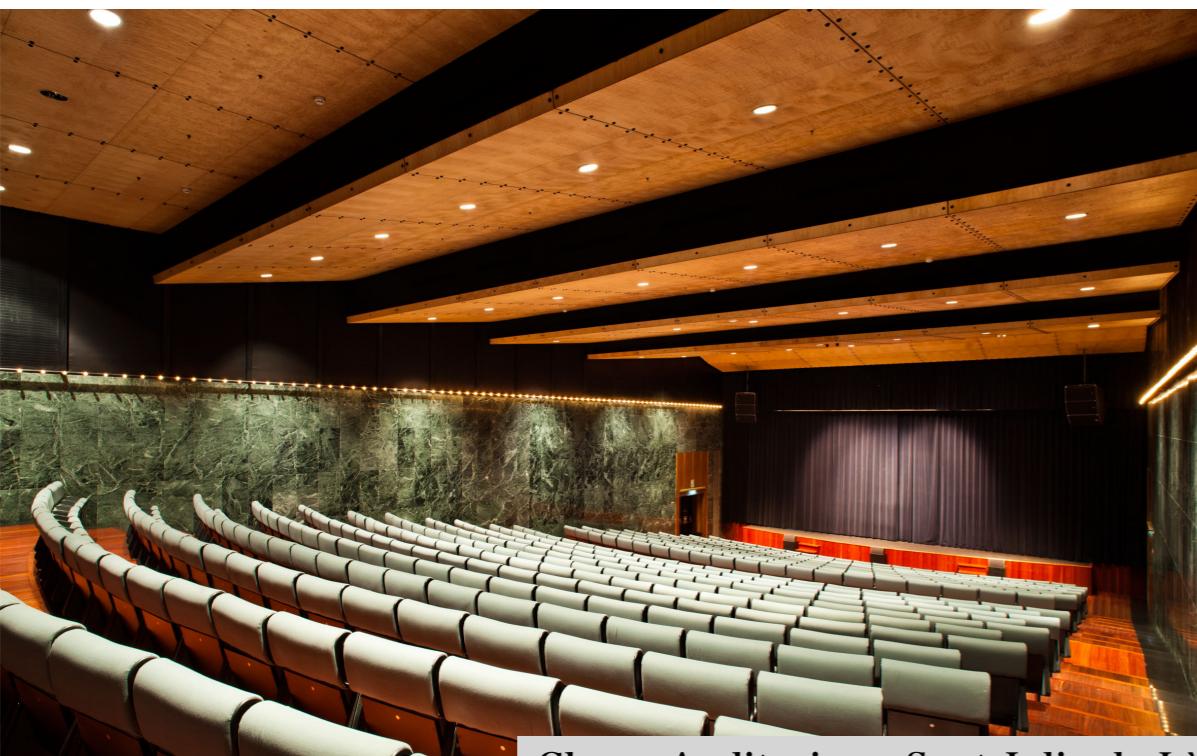

In winter the average temperature is -2°C and 24°C on summer.

Andorra is a co-principality with one of the oldest councils of Europe, founded in 1419. The co-princes are the Urgell bishop and the president of the France Republic.
